

ELECTRICAL CODE UPDATE COURSE

OHIO AND/OR CITY OF TOLEDO

Instructor: Michael J. Farrell

Whether you are an electrician, contractor, engineer, or inspector, this class will apply to your job. We offer the choices you need to complete your certification for your license requirement. We are a certified training agency for the State of Ohio and have been approved to provide City of Toledo training by The Electrical Board of Control. Your instructor will present an analysis of the code changes, and you will participate in discussion and questions. A certificate of completion will be presented at the end of the course for all who complete it. Attendance is required for all hours and for every class. Bring your 2017 National electrical Code Book to class if you have it; other materials will be provided.

Thursdays 6:00 – 10:00 p.m. beginning March 1 (6-9 p.m. March 8 and 15)

3 meetings 10 hours for Ohio \$180

3 meetings 10 hours for City of Toledo \$180

Both Certificates \$255
