Teens will be required to present a log documenting their supervised practice driving prior to beginning a Segment 2 class and taking the road test.

Remember when they return for segment 2 the log needs to show documentation of a minumum of 30 hours of which atleast 2 hours were night time driving.

The examiner will confirm that the driving log shows the teen completed at least 50 hours of driving (including 10 hours of nighttime driving) before attempting the driving skills

An alternative to this document is a free phone app called Road Ready.

Date	Amount of time DAY	Amount of time NIGHT	Weather conditions	type of road	Student Driver's initials	parent/Guad Supervisor's initials	Comments (things that are going well and need improvement on)
