A Word From Our Superintendent:

Dear Community Member,

Summer is nearly over and it is time to look ahead to our Fall Community Education programs.

We are proud of the outstanding learning and enrichment opportunities that are offered by the Community Education department. Our nationally recognized program has served our community for more than forty years. During this time, the Community Education staff has worked to develop and provide a wide variety of broad based, high interest programs for the enjoyment of members of our community.

Please plan to join us for one or more of our exciting activities. Our instructors and staff are eager to have you join them as they promote and fulfill Bedford Public Schools' commitment to "Life Long Learning".

We hope that you enjoy the enrichment opportunities found in this brochure. If you cannot find your preferred activity, please call our Community Education office and suggest that it be included in the next scheduled session.

Best wishes for an exciting and fun-filled season of Community Education activities.

Sincerely,
Ted Magrum, Ed.D.
Superintendent of Education
